

Shingo Publication Award Application

Thank you for your interest in challenging for the Shingo Publication Award, which recognizes and promotes writing that has had a significant impact and advances the body of knowledge regarding operational excellence. Submissions for this award should either contribute substantial new knowledge and understanding of operational excellence, or offer a significant extension of existing knowledge and understanding of operational excellence. The submission's actual impact is an important element of the assessment criteria; therefore, new publications may not be eligible if appropriate documentation of impact is not provided. Also, reviews, re-statements, second editions, textbooks and/or edited versions are generally not considered. All works must be published at the time of submission. Applications are accepted continuously throughout the year. We look forward to your challenge!

Application Requirements

Please submit requirements 1 through 4 via electronic copy to shingo.info@usu.edu for verification of eligibility. Please send requirements 5 and 6 upon receipt of notification of eligibility.
